

SBK Sewing Oil is a premium quality low-viscosity lubricant formulated from highly refined mineral base oils and specially selected additives to provide excellent lubrication, smooth machine operation, oxidation resistance, and protection against rust and wear. It is specially designed for high-speed sewing machines and textile machinery requiring clean, light, and non-staining lubrication.

PERFORMANCE, FEATURES & BENEFITS

- Smooth and efficient machine operation
- Excellent anti-wear protection
- Good oxidation and thermal stability
- Protects against rust and corrosion
- Low residue and clean-running performance
- Excellent penetration and lubrication properties
- Helps reduce machine noise and wear

MAIN APPLICATIONS

- High-speed industrial sewing machines
- Textile and garment machinery
- Knitting and weaving equipment
- Embroidery machines
- Precision machine components
- Light-duty circulating lubrication systems

SPECIFICATIONS & RECOMMENDATIONS

- ISO VG
- Suitable for sewing and textile machinery lubrication
