

SUPER TRACTOR OIL UNIVERSAL STOU SAE 20W40

Product Data Sheet

SBK STOU SAE 20W-40 is a high-performance, multi-functional lubricant formulated with premium base oils and advanced additive technology. It is designed for use in engines, transmissions, hydraulic systems, and wet brake systems of agricultural and off-road equipment. This universal oil ensures reliable performance under severe operating conditions while simplifying maintenance through a single oil solution.

PERFORMANCE, FEATURES & BENEFITS

- Multi-purpose oil for engine, transmission, and hydraulics
- Excellent wear protection and long equipment life
- High thermal and oxidation stability
- Superior detergency and sludge control
- Smooth wet brake operation
- Good low-temperature fluidity for cold start performance
- Corrosion and rust protection
- Reduced inventory

MAIN APPLICATIONS

- Agricultural tractors and farm machinery
- Diesel and gasoline engines
- Gearboxes and transmissions
- Hydraulic systems and hydrostatic drives
- Wet brake systems and PTO units
